

17th Week in Ordinary Time

26th July 2020

Dear Parishioners

Welcome back to Mass at St Patricks.

We are still taking it very gently at the moment due to the restrictions and the requirement for voluntary help and we can only have 30 people at Church at the one time. At this time there will be no singing during Mass.

If you have a temperature or you are not feeling very well, please do not attend Mass, stay isolated and keep safe.

For Baptisms, only the minimum numbers in attendance is the safest for all, the maximum being 25. Where possible, immediate family only please.

Please remember to book before you come to Sunday or Vigil Mass as there are only 30 places available. Telephone or email to reserve your place.

When you come to Mass, there are some differences:

1. There is hand gel when you enter, not Holy Water.
2. Offertory Collections can be left in the baskets available in the Church and entrance.
3. No singing at Mass.
4. No Eucharistic Ministers
5. No altar servers
