Thank you.

**ENCOUNTERING THE RISEN JESUS** - A series of 5 reflections taking place on Zoom on Mondays 7-8pm, beginning 12 April. Led by Fr Mark Jarmuz these will explore the varied responses to the resurrection of: the women who followed Jesus (12 April), Peter (19 April), the disciples (26 April), Emmaus (10 May) and the beloved disciple (17 May). ### Jesus is condemned to death

*The first station is for all those innocents who have no one to stand up for them. It is the station of 'bad news'; and hearing the words, 'You're on your own.' We see in the act of Pilate washing his hands the sacrament of irresponsibility and the refusal to uphold the cause of the innocent. All of the mock trials by corrupt judicial systems, the miscarriages of justice deliberate or unintended, summary executions in countries let by tyrants or dictators, those condemned on death row and the babes in the womb who have the death sentence passed on them before they see the light of day, all meet at this first station of condemnation.*
